Becoming a member – What's in it for you?

Get Known!

The Kanata Chamber's many networking functions provide the ideal opportunity for you to network, improve your visibility and brand recognition amongst customers and suppliers alike. Additionally, our Business Directory listings, online advertising, and sponsorship opportunities give you credible and valuable exposure that highlights your community-based values.

Save Money!

Discounts range from health insurance, office supplies, merchant Visa / MasterCard transactions, to discounted phone service to other items your business currently uses or will need. It's not uncommon for a small business to easily find enough savings in the first 30-60 days upon joining with endorsed providers or Member-to-Member discounts to recoup most, if not all of their membership dues.

Be Represented!

The Kanata Chamber of Commerce is active on your behalf addressing public policy at the municipal, provincial and federal levels. We target our advocacy initiatives to address the legislation that best promotes our members needs, maintaining and encouraging the pro-business environment that allows our members businesses to grow and prosper.
